

THE THREE TREATMENTS

Your new year's hair solutions

THE REGENERATE

Restart your regrowth

REGENERATE TREATMENT

STEP 1 | The Peel

- The Care Derma Peeling, containing glycolic acid, loosens dead skin cells and gently exfoliates the scalp.

STEP 2 | Cleanse & Condition

- To effectively remove oil, dirt, and debris, we wash and condition the hair with the Derma Activate shampoo and Derma Sensitive conditioner or mask.

STEP 3 | The Booster

- Rich in active ingredients, the Derma Activate Lotion is applied to activate your hair growth. And the results don't lie.

STEP 4 | The Spray

- A leave-in spray, like our Miracle Elixir Keratin Spray, helps to hydrate and smooth your strands.

AT HOME ROUTINE

TO CLEANSE

- Recommended the Derma Activate shampoo and Derma Sensitive conditioner.

TO TREAT

- Recommended Derma Sensitive Care mask.

THE FINISH

- Recommended Miracle Elixir Keratin Spray

THE ULTIMATE NOURISHMENT

Hydrate, hydrate, hydrate

ULTIMATE NOURISHMENT

STEP 1 | The Peel

- The Care Derma Peeling, containing glycolic acid, loosens dead skin cells and gently exfoliates the scalp.

STEP 2 | Cleanse & Condition

- To effectively remove oil, dirt, and debris, we wash and condition the hair with the Vital Nutrition shampoo and Vital Nutrition conditioner or mask.

STEP 3 | The Spray

- A leave-in spray, like our Miracle Elixir Keratin Spray, helps to hydrate and smooth your strands.

STEP 4 | The Finish

- After a blow-dry, a serum or cream, like the Satin Oil Treatment or the Lumi Coat Supreme Cream, locks in moisture and supports the hair barrier.

AT HOME ROUTINE

TO CLEANSE

- Recommended Care Vital Nutrition Shampoo and conditioner.

TO TREAT

- Recommended Care Vital Nutrition mask.

THE FINISH

- Recommended Care Satin Oil Treatment, Lumi Coat Supreme Cream and the Miracle Elixir Keratin Spray.

THE DETOX

Leave the past in the past
